Scott,

Thank you for your recent work on the sale of two of our BH-206B3 Jetrangers.

Your quick turnover of our aircraft in a sluggish B3 market was very helpful in allowing us to move forward with our fleet organization plans in a timely manner. The time period from our decision to sell to actually having the aircraft leave our property was much less than we had anticipated and I attribute that to your conscientious efforts.

Additionally, your willingness to handle some non-standard documentation and valuation items reduced our administrative efforts and represents a nice value-added to your service.

I look forward to working with you in the future for our next acquisition or sale.

Respectfully,
